# Overview

The MKPULSE P10 is a battery-powered 10" portable PA built for performers, presenters, instructors, creators, and small events. With 160W RMS power, DSP presets, TWS pairing, a rechargeable battery, and a UHF wireless microphone included, it is ready for real-world use right out of the box.

This handbook covers what ships in the box, the rear-panel controls and connections, a quick-start walkthrough, the complete technical specification, and warranty and support information.

## What's in the box

- MKPULSE P10 Speaker Unit
- UHF Wireless Microphone System
- Protective Carry Bag
- Power Adapter
- Quick Start Guide
- User Manual

Note: a warranty card is not included in the box.

## Controls & connections

All core controls and wired inputs are on the rear amplifier panel:

- LCD display — mode, DSP preset, levels, and battery status
- Mic Level 1 / Mic Level 2 — input volume for the two combo mic channels
- Master Volume — overall output level
- Echo / Reverb and Mix-to-Mic — vocal effect and music-into-mic balance
- Guitar effect & volume — 6.35mm instrument input with level control
- Playback controls — previous / play-pause / next / repeat
- Bluetooth 6.0, USB playback, and Type-C OTG for streaming / device connection
- AUX in (3.5mm), balanced XLR line output, power switch, and external-battery option

## Quick start

- 1 Charge the P10 fully with the included power adapter before first use.
- 2 Power on using the rear panel switch.
- 3 Pair audio over Bluetooth 6.0, or connect a source via AUX, USB, or Type-C.
- 4 Plug microphones into the XLR / 6.35mm combo inputs; set each Mic Level.
- 5 Select a DSP preset (Music, Vocal, Speech, or Flat) for your use case.
- 6 Set the Master Volume, then fine-tune echo/reverb and mix-to-mic as needed.

## DSP presets

Music · Vocal · Speech · Flat — optimized voicings for different rooms and content.

# Technical specifications

Complete specification for the MKPULSE P10. Item #: MKPULSEP10.

# Warranty, support & policies

## Warranty

MKPULSE provides limited warranty support for eligible manufacturing defects. Final coverage terms will be published before orders open. Damage from misuse, drops, water exposure, unauthorized modification, overpowering, blown speakers, and normal wear are not covered.

## Shipping

Free ground shipping on eligible orders within the contiguous United States. Orders typically process within 1–2 business days, with estimated delivery 3–7 business days after shipment. Large speaker products cannot ship to PO boxes. Delivery estimates are not guarantees.

## Returns

30-day eligible returns. Products must be returned in original packaging with all included accessories. Return approval is required before sending any item back. Refunds are issued after inspection and approval.

## Support

Our U.S.-based team handles support, warranty questions, and order inquiries directly. Email [info@themkpulse.com](mailto:info@themkpulse.com), Monday–Friday, 9am–5pm ET.

This handbook is a pre-launch reference for the MKPULSE P10 (launching August 2026). Specifications and policy terms are confirmed at time of writing; final coverage terms and the maximum SPL figure will be published before orders open.
